

JANUARY 2010 LIST

See inside for valid dates

Dear Customer

May we wish you all a Happy New Year for 2010.

We start the New Year with another packed list! Appropriately, the **2010 New Year's Concert** CD & DVD with Pretre on the **Decca** label are about to be released and can be had on special offer for a limited period. 200 years have passed since the birth of Chopin and so the complete **17CD Chopin Edition** on **DG** & similarly the **EMI 16CD Chopin Edition** make their appearance alongside a miscellany of other Chopin recordings, new & old.

We offer a new batch of 10 **DG & Decca 'Originals'** including, amongst a number of gems, the controversial Mahler 9 with Bernstein & the Berliners at mid-price.

The popular '**LSO Live**' series continues with a well-reviewed Gergiev-inspired **Prokofiev Romeo & Juliet** whilst the brilliant Concertgebouw/Jansons team commit to SACD disc the thrilling **Mussorgsky Pictures** at an Exhibition on their own **RCO Live** label.

Testament make available the 1959 Wagner **Parsifal** from Covent Garden and because we are still running the Testament promotion, you can obtain it this month at a very special price.

Our new Promotions feature a broad selection of labels – **CRD, ECM New Series, Audite, Melodiya, BIS, Halle, Onyx, Musique D'Abord**, and DVDs from **VAI & Medici Arts**.

Thank you for making 2009 a good year for Europadisc. We look forward to supplying your requirements throughout 2010.
