APRIL 2012 LIST

See inside for valid dates

Dear Customer

Spring is in the air and Easter is just around the corner and we hope that you find our new list just as fresh and exciting! There is plenty to choose from: Yuja Wang's latest offering of bravura encore pieces; Kathleen Ferrier anniversary box sets from both Decca and EMI; a new Shostakovich recording from Petrenko on Naxos; Rachmaninov from the excellent Yevgeny Sudbin on BIS. We could go on! Just one other thing to point out though - see EMI's new 'Signature' series on p.4. These are the first classical SACDs that EMI have issued, and they have re-mastered some fine recordings for the first batch. Now you can hear du Pre's Elgar, Fischer-Dieskau's Schubert and Schuricht's Bruckner in high-definition sound and we think they will be well worth exploring again.

New releases from Universal, Hyperion, Chandos, BIS, Brilliant, LSO Live, Naxos and EMI are all found over the first few pages. Labels are then listed alphabetically from p.5 onwards. Historical issues are found on p.10

Being Easter, we have reduced the prices on a number of Easter related titles. These can be found on p.11 and include obvious choices such as Easter Cantatas and the Messiah alongside more unusual works.

Other new label offers we have running are Pentatone, Hyperion Helios (multibuy), Opus Arte DVDs and Blu-rays, Capriccio, Divine Art, CRD, Walhall and Mirare. Plenty to get your teeth into!

Please don't hesitate to contact us if we can help in any way. And if you know of anyone else who may like to receive one of our catalogues, we will be more than happy to oblige.
