Pre - Christmas despatches

We will endeavour to supply all your requirements before our closedown, subject to stock availability and carrier workloads.

If you require an order for Christmas, please include that information on your Order Form and ensure that you place your order, at the very latest, prior to Monday December 10th.

(For customers outside of the UK, then much earlier please)

As always, the sooner you place your order, the more likely you are to avoid disappointment.

DECEMBER 2007 LIST

See inside for valid dates

Dear Customer

December is traditionally a quiet month for new releases as the record companies allow the industry to concentrate on the pre-Christmas rush. So, to give you something to get your teeth into, we have negotiated a number of reductions which will hopefully fill some gaps in your collections and provide some stocking fillers for others, or yourself!

We are pleased to be able to offer the whole of the emerging German label OEHMS which numbers Benjamin Schmid, Stanislaw Skrowaczewski and the Morbisch Festival Orchestra amongst its artists.

LINN recordings are highly respected for their artistic integrity and recording quality and you will find the whole catalogue reduced.

Further EMI offers include the ever popular British Composers series, a selection of Great Recordings of the Century, and some highly regarded Virgin Veritas Early Music titles.

2007 has been another busy year for us and has seen the launch of our new website which has received compliments for its design, content and ease of use. Please take a look - orders placed through the site are dealt with efficiently and help to reduce our manual input.

*Please accept our sincere thanks for your business this year and enjoy the festive season!
Mark, Richard & Mike*

DON'T FORGET - UK Carriage is FREE over £30
