

FEBRUARY 2010 LIST

See inside for valid dates

Dear Customer

February brings a number of long awaited re-presentations of highly regarded works first committed to disc during what some would regard as the 'Golden Age' of classical music artists and recordings.

Take for example, the DG 'Collectors Editions' box sets. Amongst the gems made available are the Ashkenazy Chopin solo piano works, the Liszt Symphonic Poems with Haitink, the Kodaly Orchestral Works with Kertesz, and the complete Mahler Symphonies as interpreted by Leonard Bernstein with the Vienna & New York Philharmonics. Don't miss also the outstanding Wolf Lieder box with Fischer-Dieskau and Barenboim in fine form.

Not to be outdone, EMI have released another 6 titles in their incredible value-for-money series 'Icon', this time featuring Gobbi, Gigli, Gedda & Rubinstein etc. These are essential boxes for all lovers of fine musical interpretation - see also our 'Icon' back catalogue offer on page 25. In addition, EMI launch a new 'EMI Masters' series, plucking 20 classic recordings from their rich catalogue, with many more to follow.

Again this month, we have put together a number of reduced price promotions; **BBC Legends, Medici Masters, CPO, Glossa, Somm, Delphian, Dal Segno**, and various **EMI** series. Make the most of them!

We would like to apologise to those of you who have experienced delivery delays during the recent bad weather - hopefully the postal services are now back to business as usual.

We look forward to supplying your requirements.

Please note that the recordings contained in this list are our selection of New Releases and Special Promotions. We can and do supply any classical, jazz, nostalgia or world music title in the current UK catalogues, at mail order prices. Please ask if there are recordings that you wish to purchase which do not feature in our lists. We will do our best to supply them.

Mailing of our monthly listing

Don't forget - we now only mail each list to all customers who have ordered from us within the previous 6 months, which we think is a reasonable period within which to expect an order to be placed.

After this, the list will not be mailed unless we receive a further order.

However, the list is always available on our website to view or download.
