See inside for valid dates

Dear Customer

Summer has arrived here in the UK and we are pleased to offer a broad selection of special reductions to put a smile on your face and encourage you to indulge in some sunlit listening.

As well as more mainstream labels such as **EMI** and **Chandos**, in line with our policy of presenting a variety of repertoire and recordings, we have reduced prices on **Alia Vox**, **Arcana**, **Bridge**, **Somm**, **Supraphon**, **APR**, **Warner Maestro** and **Quartz** labels. In addition, to complement last month's release of **Rene Jacobs** Idomeneo recording on **Harmonia Mundi**, we have reduced the price of his back catalogue of fascinating **Mozart Operas**. Something for everyone we hope.

Highlights from this month's new release (and re-release) schedule include a complete **Mozart Operas** box from **Decca** on 44CDs, five new **Decca** 'Originals' titles, and five '20th Century Classics' from **EMI**.

Hyperion release the next in the 'Romantic Piano Concertos' series, this time works by the little known **Benedict and Macfarren**, and **Gardiner** produces another volume of his superb **Bach Cantatas** on **SDG**.

Those of you following the outstanding **Halle** releases will be delighted to see their new **John Ireland** disc including **Mai-Dun** and **Forgotten Rite**.

As ever, we look forward to supplying your listening requirements and thank you for your continued and very welcome support.

Mark, Richard & Mike.

DON'T FORGET - UK Carriage is FREE over £30

Mailing of our monthly listing

Don't forget - we now only mail each list to all customers who have ordered from us within the previous 6 months, which we think is a reasonable period within which to expect an order to be placed.

After this, the list will not be mailed unless we receive a further order.

However, the list is always available on our website to view or download.

Please note that the recordings contained in this list are our selection of **New Releases and Special Promotions**. We can and do supply any classical, jazz, nostalgia or world music title in the current UK catalogues, at mail order prices. Please ask if there are recordings that you wish to purchase which do not feature in our lists. We will do our best to supply them.
