Mailing of our monthly listing

Don't forget - we now only mail each list to all customers who have ordered from us within the previous 6 months, which we think is a reasonable period within which to expect an order to be placed.

After this, the list will not be mailed unless we receive a further order.

However, the list is always available on our website to view or download.

Please note that the recordings contained in this list are our selection of New Releases and Special Promotions. We can and do supply any classical, jazz, nostalgia or world music title in the current UK catalogues, at mail order prices. Please ask if there are recordings that you wish to purchase which do not feature in our lists. We will do our best to supply them.
