

SEPTEMBER 2008 LIST

See inside for valid dates

Dear Customer

Sad to say, summer is nearly over (although apart from a little more daylight, it sometimes seems hard to tell the difference). The good news is that the Autumn tends to herald a bumper crop of new releases from record companies and September is certainly not a bad start.

We have nearly 13 pages of new titles from both the 'majors' and several smaller labels. There is an especially large release from EMI/Virgin - all of these can be seen on p.4, including new 'GROC's, 'Icon' boxsets, 'Classics for Pleasure' budget discs and further titles in the 'Recommends' series. EMI have also started a series of 'Live from the MET' DVDs and these can be seen on p.18.

You will see that we have printed two lists this month. In addition to the usual monthly list, we have put together an 'Autumn Supplementary' brochure which includes fantastic special offers from Hyperion, Chandos, Universal and Warner Classics. This special listing runs through until 5th December, giving you plenty of time to take advantage of these savings and maybe sort out a few Christmas presents.

Please take the time to visit our website if you haven't yet done so - much more information on all of these titles can be viewed there and it is well worth a browse.

Best regards as ever from

Mark, Richard & Mike

Wind Chamber Music from **Consortium Classicum** on the **MDG** label now reduced

Normally £11.95, now only **£10.50** each

In the early sixties the clarinetist *Dieter Klöcker* founded the *Consortium Classicum* - a German chamber music ensemble which not only cultivated the standard repertory, but also brought back to life rediscovered musical masterworks. The instrumentation of these works include winds only as well as the combination of woodwinds and strings up to a nonette. The members of the ensemble are all soloists, professors from music academies and leaders from first class orchestras, who uphold the ensemble's concept in a very individual and consistent manner. International appearances in concerts, honorable awards and invitations to famous festivals - including the Salzburg Festival, the Vienna Festival and the Berlin festival - as well as numerous records, radio and TV productions, all go to confirm the extraordinary status of this unique ensemble.
