**Dear Customer**

*Difficult to believe we know, but Autumn is just around the corner (in the Northern Hemisphere anyway) so we have prepared a mammoth list to provide some serious browsing now that the nights are drawing in.*

*You will see that EMI have been very busy devising two new re-issue series on pages 4 & 5 as well as releasing a great new batch of re-mastered 'Great Recordings of the Century' and an amazing 70CD Maria Callas box..*

*Not to be outdone, Universal Classics likewise have revitalised some of their well-regarded DG Archiv and L'Oiseau Lyre titles at an attractive price. In addition, further splendid 'Originals' titles appear from DG and Decca.*

*Reduced price promotions this month feature Mitsuko Uchida, Christian Zacharias, and the whole of the Chandos, BIS, Brilliant, Somm, Nightingale and Melodiya catalogues. For DVD fans, there is a massive price reduction on Harmonia Mundi and Belair titles.*

*Most of the campaigns from our August list are current until the 19 September and you will find even more offers on our website which is easy to negotiate and now being widely used. Thank you for your continuing custom and, as always, enjoy the list!*
